DETAILED ACTION

Applicant's election without traverse of group I (claims 1-19) in the reply filed on 04/13/2005 is acknowledged.

This application is in condition for allowance except for the following formal matters:

. Drawings: the drawings are objected to under 37 CFR 1.83(a). The drawings must show every feature of the invention specified in the claims. Therefore, the plurality of first spacers being disposed on the surface of the first glass substrate must be shown or the feature(s) canceled from the claim(s). No new matter should be entered.

. Specification: the lengthy specification has not been checked to the extent necessary to determine the presence of all possible minor errors (e.g., different parts with same number). Applicant's cooperation is requested in correcting any errors of which applicant may become aware in the specification.

. Claims: claims 20-23 drawn to non-elected without traverse. Accordingly, claims 20-23 need to be cancelled.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
